Combo Naming Ceremony

A combo ceremony is a ceremony that

- includes naming of 2 or more children who are not siblings, OR
- incorporates another type of ceremony (generally a wedding or reaffirmation of vows ceremony) OR
- follows close on or is closely followed by a second but related ceremony (usually within hours but possibly involving a change of venue)

Because of the complexity and work required to develop and officiate at a combo ceremony an additional fee will apply

Combo Naming for 2 Cousins \$450 plus \$50 per each additional first cousin

Combo Naming for 2 unrelated Children \$475 plus \$50 per each additional child

Explaining My Fees

Naming ceremonies are not "one size fits all". Different clients have different needs, so I offer a choice of broad service options, with differing fees and inclusions.

My fees for creating and conducting your child's naming ceremony are based on a number of criteria in order to provide you with options that will match your needs and your budget. (NB DIY ceremonies include creation of the ceremony only. You are responsible for delivering it)

Because different options require differing levels of input, time and energy required, my fees reflect the size and complexity of your ceremony as impacted by a combination of the following:

Type/Complexity of Ceremony: All of my ceremonies are custom-created. I do not expect you to choose from pre-written components for any service level..

Time required to develop the ceremony: Developing a custom-created ceremony that reflects your family takes time. The more complex the ceremony the more time it takes. I write a first draft based on information I gather from you and you have full rights of editing. Going through the process with one or more drafts takes time.

Number of Certificates: Production of personalised certificate takes time as well as materials. My charges therefore are adjusted where additional certificates are required.
